

Logistics coordinator

About us

We are a Dutch team of engineers and designers, but above all passionate cyclists. By combining innovation and passion, it's our goal to provide you with the best possible riding experience.

It has become our obsession to continuously improve our products based on the user benefits. We believe in strong partnerships to challenge the status quo. We puzzle, we try, we fail, and do it all over again until we succeed to improve our products.

We are reliable, clear, honest, and dedicated. We do what we promise. We are Scope Cycling!

No Excuse.

About the job

In the last five years Scope has become a well-known global player within the high-end cycling industry, with dealers in over 25 countries spread over Europe and Asia-Pacific. In the upcoming years Scope expects to continue the steep growing curve. Together with your colleagues from the supply chain team, it's the objective of the Logistics Coordinator to provide our customers with a high service-level in terms of deliveries.

In the role of logistics coordinator, you are responsible to manage the production, warehouse, and logistics. Your responsibilities and activities are:

- Inbound and outbound order process
- Organize the Master Production Schedule
- Manage the production plants by daily calls, emails, and chats

- Check and control quality reports and issues and solve them
- Bring new products into production and manage running changes

About you

To be successful in the role it would be necessary to have the following experience.

- Bachelor's degree in logistics, business administration, or similar
- 3 year working experience
- Fluent in written and spoken English
- Background in cycling, a passionate cyclist either competitive or recreational is a plus

On the skills & competencies it would be awesome if you also be.

- Pro-active and driven
- Strong communicator
- Team player
- High level of accuracy and attention to detail
- Commercial mind-set

What's in it for you

At Scope we offer you an inspiring international entrepreneurial environment. To facilitate our fast growth, you will get a lot of responsibilities and the possibility to really make a difference for our business. The exponential growth of the brand is a unique opportunity to be part of great developments.

No Excuse.
